Certifications and Covid 19

As a consequence of the Covid 19 situation, audit from Tüv, have not been possible to perform according to the audit plan.

Tüv have reschedule the audits according to the plan below:

ISO13485 13-14/7 2020

ISO 14001 18-19/8 2020

We are working on pushing the planned date for the audits forwards, and if it's possible, we will update this document.

Best regards
