

## CERTIFICATION DECISION

AAA Certification AB (A3CERT) has taken the following decision regarding certification of ETK EMS Næstved A/S, Company registration number 20172800. Certification has been carried out under national accreditation, granted by the Swedish Board for Accreditation and Conformity Assessment, SWEDAC.

Review of the company's management system has resulted in a decision by AAA Certification AB to grant a certificate of compliance for the company's management

### ETK EMS Næstved A/S

The management system meets the requirements of

### ISO 13485:2016

The management system covers the following scope:

Provider of Electronic Manufacturing Services (EMS) for medical device industry

Company(s): Lunavej 6 4700 Næstved Denmark

ETK EMS Næstved A/S is granted certificate with number: 20075. The Certification is valid until 2024-04-11 provided that the company continuously meets the terms of the above standards and Avancert's terms and conditions and A3CERT's delivery terms and certification terms.

Recommended time for recertification - at least two months before: 2024-04-11

If there are changes to the company name, CVR number, addresses, company purpose and standard editions described in this decision, this must be notified to Avancert, which in collaboration with A3CERT will carry out a new decision-making process.

MD certified since 2012-04-11

This decision replaces previous decisions from 2021-03-25

The certificate may be withdrawn by AAA Certification AB, if "Terms of delivery and certification conditions" are not fulfilled.

Decisions taken by AAA Certification AB can be appealed to an advisory committee within AAA Certification AB.
